

Saege philosophy on wine

Our wine menu is intended to offer our guests the most eclectic and value priced wine selection in Halifax. We strive to find wines which have achieved a level of recognized quality and familiarity in our marketplace while also introducing new and interesting labels selected to enhance your dining experience at Saege.

We are committed to a growing food and wine culture in our province and are pleased to offer selections from award-winning wineries throughout Canada & Nova Scotia.

Wines indicated as "Sommelier Selections" have been chosen for their outstanding quality and offer value above and beyond their listed price. They are amongst our favourites....we hope you will enjoy them as well.

Cheers!

Jason Garnier (Manager), Chris Makin (Sommelier) and staff
